

# SACRED HEART PARISH

## *Invitation to join a Small Church Community*

*We live such hectic busy lives, there is so often little time to step back, slow down and notice our life. A Small Church Community is a mutually supportive group of adults who come together weekly or every other week to pray and reflect on the Sunday Scriptures. A growing awareness develops of how the Gospel can really guide us in our daily lives as Catholics. Bonds of friendship are formed with other parishioners who help one another make connections between every day life and faith. If this sounds like something you'd be interested in being a part of, we invite you to complete the form below:*
