*Humbly welcome the word  
that has been planted in you  
and is able to save your souls.*

— James 1:21b

**DOERS OF THE WORD**

The second reading for today begins a five-week series of selections from James, a letter that is classified among the so-called “catholic” (or universal) epistles because they are addressed to a general audience rather than to one particular community. Today’s text offers important advice for Christians of every generation. God is first cited as the author of all gifts, and in particular, reference is made to the gift of baptism by which we have been made the “first fruits” of the new creation.

What follows is advice based on a very Jewish understanding of the “word” as an active force, operative in the world. We are reminded that unless we, too, become “doers” of the word, our claim to faith is empty. Today and in subsequent weeks the author reminds us that it is equally important to do the “works” of love, for example, by caring for the “orphans and widows in their affliction.”

**THE VALUE OF LABOR**

*Heaven is blessed with perfect  
rest but the blessing of earth is toil.*

—Henry Van Dyke

**REMEMBER  
YOUR  
CHURCH  
THIS  
SUMMER**

We also have bills to pay.

**GOSPEL MEDITATION**

Albert Einstein said that the “true measure of intelligence is not knowledge but imagination.” Being a disciple of Jesus Christ requires a great deal of imagination. It is not enough to simply attend to facts, rules and rituals and consider the job done. Quite contrarily, the Gospels demand creativity, of trying to discern how to put flesh on the Beatitudes and properly serve God’s children. Jesus never doled out a top down agenda. Not once did he ever demand conformity over conversion or sacrifice over mercy. The Gospel is always about putting people in touch with their compassionate, forgiving, and unconditionally loving God and meeting them where they are.

For Jesus, it often meant breaking a few rules. Well respected and time-honored traditions had to be set aside in order to attend to what really mattered. God’s compassion, mercy and true conversion were always the trump cards. The story of the Good Samaritan, healing on the Sabbath, and bypassing of purification rituals all display this theme. Human beings can get too hung up on protocol and tradition. This is so much so that often preserving all of these things is of greater concern than the beggar knocking on our door or the sinner looking for mercy. It is no wonder,

then, that we can easily become hypocritical. Many can see us on our knees in prayer while our true heart and actions, rooted in judgment and self-preservation, are hidden from others. It is a trap into which we can easily fall. Who cares how we live our lives as long as our hands are properly washed!

Here enters the need for imagination and the distinction of truly being a wise and intelligent person. It takes a good measure of creativity and a lot of guts to really be a doer of God’s word and not merely a hearer. Being a person who doesn’t just tell people about God but shows people God requires courage and ingenuity. That’s why people like St. Francis of Assisi and St. Teresa of Calcutta are timeless. Their genuineness speaks volumes generation to generation. It’s risky business taking the step to allow God into our hearts. Permitting God to release us from the grip of our evil thoughts, infidelity, greed, malice, sexual improprieties, licentiousness, envy, arrogance, folly, and the like takes courage. That’s why we prefer to spend our energy rearranging the future rather than take measures to secure a foundation that is most certainly crumbling.

**SPECIAL COLLECTION**  
 The National Conference of Bishops in the U.S. has called for a special collection to respond to the humanitarian and significant church recovery needs due to the recent earthquake in Haiti. On this Sunday, August 29, we will take up an extra collection during all Masses. Parishioners can also contribute on our website at [www.sacredheartob.org](http://www.sacredheartob.org) or on the Diocesan website at [www.sdccatholic.org](http://www.sdccatholic.org). Every one is encouraged to join the Church in being a visible witness to the healing presence of Jesus alive in the world through this collection. Use the Natural Disaster Relief envelopes in the bulletin. Return next week. Please make checks out to **Sacred Heart Church.**

**Give it all Back.**  
 Pop culture has given us a unique idea of the term justice. Justice, we often think, is about taking. Taking what's owed. Taking revenge. Taking what we deserve. This worldview tends to make mincemeat of our Catholic social teachings. Seeking the good of the poor, a call to community and participation, solidarity — on the face of it, in a society where everything must be earned and we are encouraged to hoard for ourselves whatever success we can achieve, these principles look a lot like highway robbery.

But when you remember the presence of an omnipotent, all-loving and all-merciful God, it turns our gunslinging sense of justice on its head. For how does justice inhabit the same universe as a God who is so quick to give and indeed to forgive?  
 Well, very easily, when we remember Who exactly is the source of every good and perfect thing in this world. There is no law that cannot be traced back to the Word. And the Word saves our souls.

Is that justice? No, that is a gift. It is the reckless, indulgent gift of a father whose love is greater than His anger. What is justice in the Biblical sense?  
 The answer is simple. Look at your life. See the hours in your day? See your spouse, your kids, your grandkids? See the house they live in, the money in your wallet, the food in your fridge, the breath in your lungs?  
 Calling it all your own, refusing to share any of it — that's robbery. Giving it all back to the One who gave it to you — that's justice.

# PARISH INFORMATION & HAPPENINGS

## Year of St. Joseph Prayer

Hail, Guardian of the Redeemer,  
 Spouse of the Blessed Virgin Mary.  
 To you God entrusted his only Son;  
 in you Mary placed her trust;  
 with you Christ became man.  
 Blessed Joseph, to us too,  
 show yourself a father and guide us in the path of life.  
 Obtain for us grace, mercy and courage,  
 and defend us from every evil.

Amen.

### LIVE THE LITURGY

What makes a person wise and intelligent? Certainly it is not the ability to memorize facts or minute details about a situation. What makes a person wise and intelligent is when their words and actions harmoniously unite and produce virtue. A person can know many facts and even do the right actions but still have a grave flaw in their character. We sometimes want to delude ourselves into thinking that as long as we are “doing” everything correctly, we are automatically in right relationship with all. Such is sadly not the case in the kingdom of God. We are called not to be just hearers of the Word, but doers as well. That means getting to the heart of what laws and rituals are meant to signify and nurture. If we do not bring the actions home, where they belong, and allow them to speak of the goodness, mercy, compassion, and love of God, then they are simply empty worthless gestures. Welcome the Word that has been planted within you so that you can be a truly wise and intelligent disciple of Jesus Christ.
