“For human beings it is impossible, but not for God.  
All things are possible for God.” - Mk 10:26-27

*The word of God is living and effective, sharper than any two-edged sword.*

— Hebrews 4:12a

**GIFTS**

In today’s readings, we discover that material wealth alone does not keep us from discipleship. We will see that there are other gifts more important than material wealth, but even so, it is how we use our gifts that matters most.

Today’s scriptures point to the value of the gifts of wisdom, trusting in God, and letting our actions reflect the love of God from within. It is not gold that causes us to fall, but rather the desire for gold above all other things. From the readings in Wisdom and Hebrews, we find the source of God’s gifts in our lives. Wisdom is more valuable than worldly possessions. In Hebrews, we are challenged to look at our own values and admit honestly what controls our lives.

**GOSPEL MEDITATION**

If we are truly in love with God, then the basics are not going to be enough. That love is going to want to be expressed in going above and beyond, in leaving the comfortable and familiar, in stretching and growing, and in following a voice other than our own. St. Teresa of Calcutta rightly instructs us that for “love to be real, it must cost, it must hurt, it must empty us of self.” Being in love with God requires more than just checking the boxes of the commandments. It requires a sincere and unconditional self-investment. Desiring God with our whole heart, mind, and soul means that I must also desire a relationship with my neighbor with that same degree of fervor.

Biases and prejudices usually occur when people are kept at a distance and treated as objects. We cannot truly know our neighbors, especially if they are different than us, if we keep them in boxes and do not listen to their stories. When we open ourselves to listen to another person’s story, we begin to realize more how similar we are than dissimilar. Being overly attached to our possessions, ideologies, agendas, lifestyles, and personal needs are absolute barriers to achieving the type of personal investment love demands. This is why following Christ can be difficult. It is less a matter of intellect and more a

matter of heart and soul. It requires that we transfer our treasure from an investment in tangible secular things and move it into the Kingdom of God. It is only the gift of wisdom and discernment that can help us decide what to do and how to do it.

Contemporaries of Jesus would know that a camel could not enter through the portal of a city weighed down with the baggage it was carrying. In order to enter, the baggage must be removed so that the animal could fit through the entry way. The same is true for us. We carry a lot of excessive baggage around with us that keeps us tethered to our past histories, wounds, myopic world views, prejudices, fears, and suspicions. To invest ourselves in the Kingdom of God, do God’s work and live out our love relationship with God, we need to shed the extra weight. While it may seem that a lot of that stuff is necessary, it really is not. We are much more than the things that we think define us and more secure than we think. The more there is to hold on to and the more that we carry with us, the harder it will be to leave it all behind. Many choose not to and walk away sad because they are not ready to trust.

**Today's Readings**

**First Reading** — I pleaded, and the spirit of wisdom came to me. All good things together came to me in her company (Wisdom 7:7-11).

**Psalm** — Fill us with your love, O Lord, and we will sing for joy! (Psalm 90).

**Second Reading** — Indeed the word of God is living and effective (Hebrews 4:12-13).

**Gospel** — It is easier for a camel to pass through the eye of a needle than for one who is rich to enter the kingdom of God (Mark 10:17-30 [17-27]).

**If Heaven were like Harvard**

There’s no getting around it: life on earth can seem easier if you’re rich. Most of the bodily and material needs a person could have are fulfilled if you’ve got a little bit of money behind you. So why doesn’t this same theory apply to entering the kingdom of Heaven? Why isn’t Heaven like an Ivy League school, where a connection and a hasty tuition check might open a lot of doors?

When you think about it, the virtues required to enter Heaven — things like charity and justice and courage — should be even closer within the grasp of those who never had to worry about where their food is coming from. In theory, your capacity for good works should only increase with the resources at your disposal.

The same is true for stewardship potential. Let’s say I’ve got a lot of talent. Maybe I’ve got a lot of free time. On paper, it should be easier for me to give freely of these gifts, because I have the luxury that eluded the widow and her two coins: I can see my ample gift being put into action, when so many can only offer what they have and remind themselves that God sees it and appreciates it.

But here we get into the mess of humanity: if we have a lot of something, it means we have a lot of something we could use any way we want. And then we hear the whisper of the serpent: Think of what this (money, time, talent) could do for you.

May we pray for God to give us the heart of the widow, no matter our resources.

# PARISH INFORMATION & HAPPENINGS

**Year of St. Joseph Prayer**

Hail, Guardian of the Redeemer,  
Spouse of the Blessed Virgin Mary.  
To you God entrusted his only Son;  
in you Mary placed her trust;  
with you Christ became man.  
Blessed Joseph, to us too,  
show yourself a father and guide us in the path of life.  
Obtain for us grace, mercy and courage,  
and defend us from every evil.

**Amen.**

2021 is designated the “Year of St. Joseph” and Sacred Heart will pray the above prayer after each Mass.

**Who, What, and Why do we have a Creation Care Team Ministry?**

The Creation Care Team (CCT) ministry was formed in mid-2018 as part of the CCT movement based on the Encyclical from Pope Francis: “*Laudato Si’: Care of our Common Home.*” We are associated with the Roman Catholic Diocese of San Diego’s Office of Life, Peace, and Justice – Care for Creation and Environmental Issues. Our main goal is to education the parish and local community on efforts supporting the Encyclical. We provide information on what you can do at home to save water, energy, and waste; we’ve held a workshop on climate change; participated in Diocese workshops on Laudato Si’; attend Earth Day events; marched in appropriate events (e.g. OB Holiday Parade, March for Life, etc.). It is our hope that we can foster changes in our environment even within our parish that will translate to a better world in the future. Sacred Heart’s Creation Care Team will be meeting Thursday October 28th at 7pm. All are welcome! For further information you may contact Mary Cairns at [mmacairns@verizon.net](mailto:mmacairns@verizon.net), or phone: 619-223-8859

**LIVE THE LITURGY**

Presumption can be a great sin. We can easily convince ourselves that as long as we do the bare minimum or master the basics, it is sufficient. Love doesn’t operate this way. If we are truly in love with God, then the basics are not going to be enough. That love is going to want to get expressed in going above and beyond, in leaving the comfortable and familiar, in stretching and growing and in following a voice other than our own. This is what those who are truly in pursuit of wisdom come to realize. Just like any human relationship worth achieving reveals, we never reach a plateau in following the Gospel or growing in wisdom and holiness. Wisdom is the rudder that guides us through all of life’s attractions and options. It alone determines what is worth pursuing and what must be left behind. That is why those who are only concerned about checking the boxes and doing the least amount possible often walk away sad when offered God’s gift of life eternal. They are not truly in love.

**“Caring for the Whole Person”**

This is an initiative of California’s bishops and Catholic healthcare system that provides resources to parish leaders, including priests and deacons, who have been called to serve the sick and dying.

Those interested in becoming involved with this initiative are invited to an upcoming two-day training, which will be held on Oct. 16 and Oct. 23 at the diocesan Pastoral Center. Both sessions are required and will run from 8:30 a.m. to 3 p.m. There is no cost to attend.

“Caring for the Whole Person” is not a new ministry, but rather a way of helping parishes to better carry out their existing ministry to those at the end of life.

Forty-eight leaders representing 31 parishes in the Diocese of San Diego have already received training in “Caring for the Whole Person.” For more information please contact Janice Teixeira 619 246-4955 or [Teixeira@cox.net](mailto:Teixeira@cox.net)

**ADORATION OF THE BLESSED SACRAMENT**

ON FRIDAYS SACRED HEART CHURCH HAS ADORATION OF THE BLESSED SACRAMENT UNTIL 10:00 AM. The church also has the ability for 24/7 Adoration of the Blessed Sacrament in the church chapel. Access at all times is available via the chapel side door using the coded pad. If you would like the code to the chapel door, email Janice Teixeira at [teixeira@cox.net](mailto:teixeira@cox.net).

**Pray for all of us.**

**Reminder:**

Have you submitted your contribution to the 2021 “Renewing Hope” **Annual Catholic Appeal** yet? This appeal supports charitable needs throughout the Diocese of San Diego. Our parish has been assessed \$40,000 for our portion of this appeal and must make up any deficit by December. Please make your intention to the **Annual Catholic Appeal** if you have not yet done so. You can make your contribution online at:

[giving.sdatholic.org](http://giving.sdatholic.org), or by picking up a combo brochure/response card at the parish office. **Thank you to those who have already contributed.**
