Welcome & Opening Prayer

Opening Comments

- **Master Calendar Planning Session**

- a. Scheduled all known dates through June 2025 with Lisa Danaher, Office Manager, facilitating.
- b. Event ideas:
 - i. Suggestion to host Finance Open Meeting for transparency and educational purposes. Perhaps Sheila Ragan gives donation tips.
 - ii. Mothers' Day Tea & Feast of St Damien will be on the same weekend, May 10 & 11. At all Masses, women will receive a Hawaiian flower (i.e. hibiscus).
 - iii. Feast of the Sacred Heart to be celebrated on Sunday, June 29 with bbq, bake-off, and brand reveal.
 - iv. Christmas Marketplace will move to November.

- **Roundtable Discussion**

- a. Gregg Sprosty presented plan for completing tv monitor project in the church lobby. Move back left pew to lobby for seating (in place of cabinet). Open space in church where pew was will provide room for wheelchair, and better space for reconciliation seating line. Locking bulletin board case to be installed in lobby above pew.
- b. Therese Flaningam introduced a 'heart' project idea for our parish. She will present a sample and further description at the next Pastoral Council meeting.
